IMPORTANT ANNOUNCEMENT

As part of my 'President's Project' for the year 2018/19 Peterborough Lions Club is funding the purchase of a **Public Access Automatic External Defibrillator (AED)** to be installed in the porch of KINGFISHER COURT in STANGROUND.

This will be available 24/7 with access code via a 999/112 call to the Ambulance Service, and will provide the residents of Kingfisher Court and the surrounding population with defibrillator cover not previously available.

TRAINING for up to 12 people, to be provided by the East of England Ambulance Service, date to be arranged, is also being funded, with some places to be taken up by staff working in Kingfisher Court. **The remaining places are offered to permanent staff from businesses in the immediate area or residents nearby that may need to use it, e.g. have a relative or neighbour at risk of cardiac arrest.**

The allocation of these places will be at my absolute discretion but if you wish to propose a member of your staff to attend please send your business name, their NAME, POSITION in the business, and NORMAL HOURS OF WORK by email to me at the above email address.
