LIONS

QUIZ

**‘STAY HOME’
(PROTECT THE NHS, SAVE LIVES)**

Every year, Peterborough Lions Club sells its annual quiz (100 questions, with cash prizes) to raise money for a variety of local causes. But during this pandemic we thought we'd try something a little different, and have created a shorter quiz to share freely to keep those brain cells working during lockdown.

All answers are things you can do at home, so we hope the quiz will also be a jumping off point for other activities.

Over £100,000 has been raised over the years, and we'll be back in September with our next fundraising instalment (which you can pre-order on our website, along with past copies if you can't wait until then).

Answers will be released at the end of April 2020 via our website; follow our facebook page or join our mailing list if you don't want to miss them.
