

PETERBOROUGH LIONS CLUB

'STAY HOME'

(PROTECT THE NHS, SAVE LIVES)
QUIZ 2020 (COVID-19 SPECIAL) ANSWER SHEET

So 2020 is not the year that any of us planned.

Peterborough Lions Club celebrates its 50th year of service to the Peterborough and wider communities, but its end of Lionistic year 50th Charter (birthday) celebration has had to be postponed. Worse, our annual Showtime - three days of fantastic entertainment at the Parkway Sports and Social Club, provided free of charge by Peterborough Lions Club to senior citizens and other sheltered housing residents – had to be cancelled too. Our annual Easter Egg raffle fundraiser relies heavily on local pubs which were closed within days of the eggs being delivered to them.

This all pales into insignificance to the thousands of personal tragedies brought by an invisible foe. But that same foe has brought out the best of people; I write this on the 100th birthday of Captain (now Colonel) Tom, with his fundraising total for the NHS having just passed £31m and still rising, a worthy tribute to the British respect for the NHS and all those who work there. From the millions working in essential roles like healthcare, the armed forces, teachers and police, shop workers and delivery drivers, to those of us just doing our bit by staying at home, the country has come together.

And it is for those of us staying home that we compiled our free quiz. We hope it has brought enjoyment, but also perhaps ideas for how to pass your time. Some of the answers are simple enough – watching “Netflix” (Q23) or “Disney+” (Q40) for example. Some more important, like “home schooling” (Q20) for the many children at home instead of school. Maybe you can learn a new skill such as playing the piano[†] (Q39), or learning a language[†] (Q36) or to juggle[†] (Q28)?

Maybe a few will be completely new to you – “coin rugby” (Q6) for example had a few people stumped. And it's a sign that so many of us have completely lost track of time that any “Easter Egg Hunt” (Q10) seems such a long time ago despite it being under a month.

How did you do? Please let us know (via our social media, or however you prefer) what you thought and whether you've tried out any of the answers since being locked down. Maybe you can print these answers and turn them into something more interesting using your new “Origami” (Q8) or paper plane[†] (Q14) skills?

Of-course this is all just a warm up for the big event when our new fundraising quiz goes on sale in September. Are you feeling sufficiently warmed up yet? If not, and without giving anything away, it might be worth following our Facebook page or looking on our website in early May....

With well over a million Lions around the world, every one of us unpaid volunteers under the Lions Clubs International umbrella, it is your support that keeps us going. Every penny we make from selling quiz sheets and other activities goes to good use (all our admin costs are covered by club members), mostly local to where they are raised. So whether you come looking for the quiz (or pre-order a copy early online), support our other activities, or ask us about projects we've been involved with in the past or might be in the future, it really does all count.

2020 might not be the year any of us expected, but there is still plenty of good to come from it. If you think maybe Lions might be part of that for you, please do drop us a line. As incoming president it would be lovely to see some of our quizzers joining our ranks this year! And even if you're not local – you'd be surprised how far our quizzes travel – you're unlikely to be far from a Lions Club.

Please do come and say hello when you see us, and if you can “like” and “follow” us on Facebook you help raise our profile. See you in September* if not before!

Thanks again for all your support!
