## **LIGHTS, CAMERA, LOCKDOWN!**

### **SELF ISOLATION MOVIE NIGHTS**

Every year, Peterborough Lions Club sells its annual quiz (100 questions, with cash prizes) to raise money for various local causes. But during this pandemic we thought we'd try something a little different, and have created shorter quizzes to share freely to keep those brain cells working during lockdown.

This time, all answers are movie titles. How many have you seen? How many will you have seen by the time life returns to normal?

Over £100,000 has been raised over the years, and we'll be back in September with our next fundraising instalment (which you can pre-order on our website, along with past copies if you can't wait until then).

Answers will be released at the end of May 2020 via our website where you can also download our other COVID-19 Quiz; follow our Facebook page or join our mailing list if you don't want to miss them.
