

PETERBOROUGH LIONS CLUB

‘LIGHTS, CAMERA, LOCKDOWN!’

(SELF ISOLATION MOVIE NIGHTS)

QUIZ 2020 (COVID-19 SPECIAL) ANSWER SHEET

June is upon us, bringing the beginning of the end for the lockdown caused by an invisible virus. With it, the last chance to complete the second of our two special COVID-19 free quiz sheets without being accused of cheating, because here come the answers!

Did you get them all? And if you did, have you seen them all?

As mentioned in the last set of answers, this year is Peterborough Lions Club's 50th year of service to the Peterborough and wider communities. For such a big year for the Club, it's been a very quiet one in terms of activities; like most charities our fundraising efforts have all but disappeared, but with it our opportunities to interact with the community we serve. These quizzes have been a small part in addressing the latter and we're really grateful for the positive feedback. Rest assured, though, we'll be back with our annual fundraising quiz later in the year if you're hungry for more questions or eager to send us your pennies.

This is the first quiz that my name has been directly attached to; for the past few years my wife has coordinated the quiz sheets but she steps up to be club president from next month so I'm taking over for a bit. This is of little consequence, except that I don't wish to tar my movie-watching wife with my failings, as there are some great films named overleaf that I'm ashamed to admit to not having yet watched despite being the same age as my Club. Alien (Q47) stands out as the most surprising admission, with Blade Runner (Q17) the one I'm most keen to fix. Some old classics, like The Goonies (Q50) and The Princess Bride (Q43) I have only seen in the past year.

My personal favourite clue was "Mashed Potato Mountain" – for my younger self this was a memorable moment in Close Encounters of the Third Kind (Q33) but probably not the key scene for everyone!

Did we include any favourites of yours? Any you feel you really should have watched by now? Please do let us know!

We hope you've enjoyed these quizzes. This has been a bad, often tragic, year for many people and nothing can take that away, but it's also seen some wonderful moments and incredible gestures; 2020 will surely be remembered for its extremes. Whatever normality is, it will return, and the million-plus Lions spread around the globe will be here to serve when it does. As unpaid volunteers, it's our number that makes us strong so please do get in touch if you think you could add an extra pair of hands (washed first for a full 2 minutes, of-course). And do please continue to support us, and other voluntary organisations, who only exist with that support.

You can buy our quiz sheets (past copies and pre-order 2020) [at www.peterboroughlions.org.uk/quiz](http://www.peterboroughlions.org.uk/quiz). And if you shop at Amazon, please consider switching to [Amazon Smile \(smile.amazon.co.uk\)](https://www.amazon.co.uk/smile) where (at no cost to you) a small percentage of your spending will go to benefit a charity of your choice – we'd love it to be us ("Peterborough Lions Club (CIO)") but you'll also find other great causes to support if you prefer.

So that's it now until September. The 2020 quiz sheet is progressing well but this is going to be a tough year to sell it, so if you run a shop, pub or other business and would be prepared to sell some for us that would be fantastic. And if you represent another charity or great cause, we can help there too – sell our quizzes on a 50:50 basis and keep half the sale price for your own fundraising. In either case, please drop us a line so we can plan our printing.

Please do come and say hello when you see us, and if you can "like" and "follow" us on Facebook you help raise our profile. See you in September if not before!

Thanks again for all your support!

Peterborough Lions Club Quiz Coordinator

On behalf of my team of helpers (Steve, Sandra, Carol) and the rest of Peterborough Lions Club.

PS: Did you spot the "deliberate" and very prominent spelling mistake on the quiz sheet? Well done if you did, nobody reported it!

Peterborough Lions Club thank you for supporting our Quiz, and we sincerely hope you enjoyed doing it.
